Slim... I love you so... I am truly sorry to have upset you to the degree that I have... And I couldn't be more sorry for, yet again, ruining your day... I do, of course, take your generosity, your selflessness, your affection and your sweet dotting deeply into my heart... And, I think, that I've been reciprocal... Agony is never the answer to any equation, or occasion... Nor is rage. We are, I believe, in concert about this... Please, know that my apology is sincere and solid... And, as stupid as it sounds...?? I hope your meeting with Clive Barker is excellent!!! I love you so very fuckin' much...!!! My all... Steve 8:04:00PM

I just left betty sue's. Just going a couple blocks away for a quick dinner or drink with Megan. I hope we can see each other when I get home.... I don't want this agony.... Nor can I bear putting it on you. 11:18:08PM
