The everyday timeframe seems to grow. He told me 1 to 1-1/2 hrs but not two. Yes he was 2-1/2 hours late one day and 7hrs recently.

I know all of it and what he needs to do. I think he knows also. Working on how to get him there but I don't know what to tell you to do to help. I know you could call or email or go thru the guys but not sure how that would go over if it's just telling him what he needs to do to be better. That's not always helpful with all people to be honest.

I can't talk right now nor do I want to rehash it all. Perhaps I will get thoughts together in a better way and call you later but I don't want to just talk about what we already know over and over. Sorry. I will find a way to call Sean a bit later for sure. I get it.

Xoxoxo

Jerry said he has been late every day at least 2 hours. He also referenced his lateness on alicia 2 and Mordechai, which clearly is out there. Is there anything I can do? Jerry is very positive about his work, as is the studio but the lateness is undermining all of this. Jerry also referenced the weight which he said is noticeable.

I also asked Jerry why he isn't there, but he isn't. so the next people who will be talking to him will be Disney and or his directors. Call me when you can speak. x

I will see what we can do to make sure he knows and understands. I know he felt bad about the other day so he was mindful of needing to get turned around.

What kind of problems could it be?

Bruckheimer just called me and said if he's not on time Monday, we have a real problem. I don't know what to do. Jerry isn't there on location so I don't know who will be speaking to him.
