Hi Amber,

Apologies for the delay, but we have needed this to pass through quite a few lawyer's first. Please read Robin's notes below, and let me know your edits. Also – you should show this to your attorney (one from the long list). I want to make sure nothing was said in here that puts you in jeopardy with your NDA.

Hi Amber,

Hope your travel's been going great. It was such a total pleasure to talk with you. I tried to gather your fire and rage and really interesting analysis and shape that into op-ed form--with mentions of a few policies and a growing movement. I hope it sounds true to you. It's attached.

I'm sorry for the delay in getting it to you. Many lawyers have reviewed it here and tweaked the policy bits.

Your lawyers should review this for the way I skirted around talking about your marriage.

And there are a few places where I wasn't sure if something was right or needed a few words to end the sentence--I put those in **bold** and noted them with **TK**. If you could fill those in, that would be a big help.

Happy to talk about anything and everything here.

Take good care,
