Yeeeahhh... Yeah... Interesting, to say the least... Wow. Anyway, I am still awake and don't foresee slumber arriving any time soon to this broken instrument of a squash, situated atop my shoulders... I would love to speak whenever you get a minute, dear David... Though, honestly...?? If I were you, Debbie and/or Erin...!?? I would RUN FOR THE FUCKING HILLS!!! I love you, Doc... Cannot thank you enough for all you've done, not only for me and my poor pack of wolves and, my sweet, FUCKING, BRAVE MIKEY... These are the things that remind us that life should be a fucking gas!!! I am waist deep in Big Muddy, here... Hit me when you're drunk... It'll be far less boring!!! Love you long time, brother... And, of course, the beautiful and LUMINOUS, Chanel... And, the by now, 8'6", Sam!!! Mucho... Mucho... From those of us, who are not as others... X. JD  Source Extraction: Logical (1) Status: Sent

Fucked, man... Had another one... I just cannot live like this... She is as full of shit as a Christmas Goose!!! I'm done, NO MORE...!!! The constant insults, the demeaning, belittling, most heartbreaking spew that is only released from a malicious, evil and vindictive cunt!!!!!! But, you know what... ?? FAR MORE hurtful than her venomous and degrading, endless "educational" ranting...??? Is her hideously and purposely hurtful tirades and her goddam shocking treatment of the man she was meant to love, above all... Here's the real deal, mate... Her obsession with herself.. ?? Is far more important... She is SO FUCKIN' AMBITIOUS!!! She's so desperate for success and fame... That's probably why I was acquired, mate...!! Although, she has HAMMERED me with what a sad old man, has been I am... Cowan has done me the most cruel of favors... I'm so very sad... I cut the top of my middle finger off... What should I do!?? Except, of course, go to a hospital... I'm so embarrassed for jumping into anything with her... FUCK THE WORLD!!! JD	Status: Read

I understand your decision, based on my immunity to do the right thing... And I truly do thank you for your concern!!! I must apologize for not having had the presence of mind to respect the man who has been the most kind and who has done more for me than anyone ever. There was no call for my spineless and base behavior toward you. I honestly understand the reasons for your concerns in your letter and can say to you now, they no longer are an issue.... Thank you for everything. I have chopped off my left middle finger as a reminder that I should never cut my finger off again!! I love you, brother. Johnny	Status: Read

It's been amazing!!! But, she is somehow locked in to this very unpleasant and belittling mode in the last 3 days... The accusations, the verbal abuse and insults... Stooping to one the most unjust... "You haven't changed you fucking desperate hypocrite!!!"... "You didn't out the monster away.. Your full of shit... Your a pathetic fraud!!!"... Man, you know how hard I have worked to put that motherfucker in its cage!!! And... I DID THAT!!! Me!!! I took all of those other problems and rid myself of them !! There's a whole lot more... I won't bore you with it... The Xanax takes the edge off, just a little... You know me!!! It would take more than a few to really affect me... Seraquel scares me for the reasons I were off if it... If your worried about the Xanax, prescribe me something different but with more potency!!! I don't take them all that often...
