Once again, I find myself in a place of shame and regret. Of course, I am sorry. I really don't know why, or what happened. But I will never do it again. I want to get better for you. And for me. I must. My illness somehow crept up and grabbed me. I can't do it again. I can't live like that again. And I know you can't either. I must get better. And I will. For us both. Starting today. I love you. Again, I am so sorry. So sorry... I love you and feel so bad for letting you down...

Yours

I see that understanding and forgiveness ain't on the menu...
I'm disappointed to see that, but, not too surprised, I suppose...

I hear, sadly, through others that you will be flying back to NYC tonight. Unfair for you to run away... But, perhaps you're right...

Again, I'm sorry... But, I don't deserve this... It's an ugly decision.

This is my last text.

I love you so much...

Be well.
