I am so sad about what has happened since I went home. I care about you deeply and hope this is not the end of us working together. I hope you are ok.

I love you, kid...
 Even attempting saying thank you to you, would be like a monkey trying to fuck a football... It's just simply impossible...
 I wish things could've ended on a better note...
 All my love,

I love you too and hope this is not the end! Be safe and be smart my son.

I been off of for 3 days...
The Doc jumped the gun...
Also... Please thank him for the Motrin and the Baclofen... They work a treat for amputated fingertips ... Goddam... I love that weird fucker, no matter what...!!!
X.

So glad to hear you have been off. No matter what, I just want you to feel better.

I would be more than happy to come back and help you with pain management and Toradol injections. I know Kipper loves you and would always want to continue your care if you are no longer using.

I don't know...
I'm gonna stop it all, except, whatever I was on before and just deal with it...

I respect whatever decisions you make. I will be sad to leave the crew as I love you all. I hope to always be in touch even if you chose to not continue a

 sad to leave the crew as I
 love you all. I hope to always
 be in touch even if you
 chose to not continue a
 working relationship. Miss
 you already. I will get in
 touch with Kevin and get
 my stuff out or 72 soon.
 Hugs.

Take care, Darlin'... I cannot
 ever thank you enough all
 you've done for me... On the
 junky side and the broken
 heart side!! You've been a
 lifesaver... Literally!!!
 We'll be seeing each other
 again, sweetheart.....!!!!
 Love you so much, Little
 Debbie...
 And so does my entire
 crew!!!

Hi Son, I am coming back into town to help you with pain management after your surgery. Yay!! Will you be recovering downtown? Just deciding if I should go back to 72 or stay downtown? Also, what time is your surgery?

Yay!!! Welcome back!!!

Amber will text you the info!!!
