I'm still with Bruce, baby... And Joe's here, as well...
I would really love to have a date with you and stop the madness... Today was so fuckin' upside down...
And, I'm on such a beastly headfuck from earlier, that I feel like I won't know what to do, or how to be...
I feel like I only just continue to piss you off!!! Believe me, I never want to hurt you!!! And ALWAYS HAVE NEVER WANTED TO HURT YOU!!! NEVER!! I don't want to be in that position anymore!!! Not ever again!!! I feel pushed and I push back... I feel hurt... I will hurt back... A fight commences, I WILL fight back!!! And, obviously, so will you!!! But, I can't again to see it coming... It puts us both in some stubborn space where neither of us can hear, much less, understand one another's position!!! Please, can we just try and understand one another??? I am not trying to fight with you!!! It is never worth it!!! I'm happy to come home and hang out with you... But, we cannot open up another can of worms!!! We've both had our share!!!
I love you and want to do what is best for you... And for me!!!
Do you want me there because you love me??? Do you hate me???
I don't actually know sometimes, which one it is...!!!?
I can tell you that our love is the most important thing in my life, but if my love makes you feel horrible to be the giver of a pain that is a mystery to me... What am I supposed to do???
I want nothing more than to be with you... Can we be friends and be in love???
I can't stand you hating me...!!!
How do you feel??
You know I love you...
What is in your heart???

You. You are in my heart. I asked for you to come home because I wanted you. I wanted my best friend, my lover, my husband, my man.
Please, come home if you want to be with me.

If you can't be with me, don't know how to, I will understand.
But please tell me.... I will respect you either way.
But if you're asking me, I want my man. I want what you've promised me.
I want to be happy with you. Be in love with you.... I love you.
