By the way, just for your own edification... I was high as a muthafucka when I made that film... Haha!!! And, yes... I'm doing really, really well, my sweet Erin... Laying low. That is too funny. I guess it makes sense that you were high because that's when you met Debbie and Kipper. Either way, your performance is stellar, and I am not just blowing sunshine up your ass.  I'm glad you are laying low...enjoy yourself and get your R&R. All of this (Amber) will blow by and in no time at all people won't even remember who she is or what happened. I love to hear that you are well because you deserve to be and I want it for you. You keep doing what you're doing and just promise me one thing....that when you return to LA you will please let me know so I can come give you a big hug and kiss! Take good care and please let me know if you need anything. Until LA.....all my love.  Source Extraction: Logical (1) Status: Read
