There is no luckier man on this earth to have the strength that Amber gives me and the full support of each of you, individually, that I've gotten, helps immeasurably!!</p> <p>I don't need to explain the horrors to you... You know as well as I. What you do need to know that your daughter has risen far above the nightmarish task of taking care of this poor old junkie. Never a second has gone by that she didn't look out for me or have her eyes on me to make sure that I was ok. ynwords are truly feeble in attempting to explain her heroism in a text - suffice to say that I have never met or loved a woman or a thing more . She has the strength of a thousand men. And that is due to no one or nothing but you sweetheart. Thank you.</p> <p>I love you.</p> <p>- your son out-law</p>	8/19/2014 8:00:19 PM(UTC+0)
