7450	1237	him (owner) Slim Chris Dembrowski	Slim	I did not freak out last night I got it sets and that is differenL. I am human and you are too. We made a promise to each other to allow each other to be that without freaking out at each other in response.	9/26/2015 10:08:51 AM(UTC+0)

7454	1237	him (owner) Slim Chris Dembrowski	Slim	You want to split and bail every time he gets tricky, anytime that you feel is justified to bail on someone because it's too hard to because they are phonebook freaking out then fine that is the life you would like to live in. Just know that it is not a double standard. And that means I get it too. Yes, that means the next time that you will get slightly upset with me for reasonable means I get to freak out and then bail on you. Just as long as you're OK with that fine. But just so you're where I have never ever left you for the night I have never split on you and stayed the night at someone else's house weather was my own house in a different part of town or not I have never bailed on you not since we were serious	9/26/2015 10:08:33 AM(UTC+0)
7455	1237	him (owner) Slim Chris Dembrowski	Slim	We made a promise to each other not to do sort of thing and not go to bed mad. What you did tonight is a revocable in that it now has secured long term fighting, possibly a break up or at the very least, a split, and subsequent damage our relationship by splitting instead of working it out or fuck—just plain going to bed mad	9/26/2015 10:10:42 AM(UTC+0)

7456	1237	him (owner) Slim Chris Dembrowski	Slim	Never work it out when the first and only thing that we allow each other to do his bail. Now that it's free reign for both of us let's see how long we last. Up to you to me I have never done this to you and now you have told me it is OK to do when you feel provoked	8/26/2015 10:11:14 AM(UTC+0)
7457	1237	him (owner) Slim Chris Dembrowski	Slim	I think that says all I need to hear from someone who two days ago told me how committed to their marriage they were and how sorry they were for being the monster and allowing the monster to make decisions like this for them. if you Johnny, can't talk to the monster and take control over him when he makes decisions like this for you both, then how do I know which one I'm living with at any given time. When I want to start a family, how do I feel safe? If you can just split in The middle of the night when the monster tells you that it's justified. Because you feel offended? guess what ? I felt offended when you told me that you would be right back after I told you I was ready to go to bed (after you said you wanted to go to bed) and then you didn't come back for over an hour and a half.... After I was already in bed!? Don't you think I felt offended then too? But does that mean then I got to take off in the middle of the night? If I did, how seafood you feel in planning a future with me? Knowing that I couldn't control myself at all even when I was mad?!	8/26/2015 10:16:08 AM(UTC+0)

7462	1237	him (owner) Slim Chris Dembrowski	Slim	And then we had dinner and talked for an hour plus without you. And finally as they were leaving, that, THAT is when you finally came downstairs. Which was fine! I didn't even say anything about that! But the fucked up thing is? You didn't even allow me the respect or dignity to let me know that you were still over there or that things are running late in an hour and a half is different from 10 minutes it is the difference between me sitting around waiting for you me eating dinner not me getting ready for bed phone asleep or not but I still didn't even get mad at you about that. But if you were me and the shoe was on the other foot how would you feel? Would you be cool? I highly doubt that you would've been sunshine and smiles when I got back to that bed after spending an hour and a half at Rockys without a single word to you. Especially if you were waiting up for me because I was "tired"	9/26/2015 10:19:50 AM(UTC+0)
7463	1237	him (owner) Slim Chris Dembrowski	Slim	It could've been simple as " I'm sorry". Same way as it was last night. And we fell sleep in each others arms I fell asleep apologizing and woke up that way for feelings that were valid yet mishandled. THAT was the way to handle things. It would've been perfect, in a perfect world, if I hadn't had any bad feelings at all. But you and I are both grownups who live in the real world and know that that won't always be the case So instead we have to do our best when they come up	9/26/2015 10:21:56 AM(UTC+0)

It was more about trying to recover the day...and not completely destroy that relationship.... Well, you know.... Anyway, thank you so much for doing that. I hope Bruce is okay. And even more, I hope you are. This is so sad. I feel completely devastated. All I can say is sorry.	9/29/2015 2:28:00 AM(UTC+0)
