 a consultee's own self-report? MR. NADELHAFT: Objection; form, foundation. THE WITNESS: I you have to tease that one out a little bit. I don't know how to I don't know what you're asking. Q So Ms. Heard you said Ms. Heard told you that Mr. Depp initiated the violence, correct? A Correct. Q And my question is: Isn't it true that you cannot be certain that Mr. Depp initiated the violence just based on Ms. Heard's statement? MR. NADELHAFT: Objection; form, foundation. THE WITNESS: Is is that true? I what I can tell you without a doubt is that Amber Heard told me that Johnny Depp was involved in violence with her when he was using substances particularly, that she would fight back. And those statements were made, also, in front of Mr. Depp without anybody contradicting them. 	 Br. Banks, just a couple of questions. EXAMINATION BY MR. NADELHAFT: Q In working with Amber and Mr. Depp, did you believe that Amber was telling the truth about the violence she received at the hands of Mr. Depp? A I did. Q In working with Amber Heard and Mr. Depp, was it your belief that Amber was a victim of domestic violence at the hands of Mr. Depp? A It was. MR. NADELHAFT: Okay. Thank you. Nothing further. We really appreciate your time. THE VIDEOGRAPHER: Off the record MR. KELLEY: All set? THE VIDEOGRAPHER: Off the record at 11:23. (Off the record at 11:23 a.m.)
 Q So Ms. Heard made those statements in the 1 joint session with Mr. Depp? A In my recollection, yes, she did, that 3 that was part of the conversation of how the 4 relationship could not – escalate at times, yes. Q Okay. You did not personally witness any violence between Mr. Depp and Ms. Heard, did you? A There was none when we were on the Skype 8 calls, no. Q So you don't know for certain that there 10 was any violence in Mr. Depp and Ms. Heard's 11 relationship, correct? A What I know for certain is that it was 13 reported to me by Ms. Heard in the presence of 14 Johnny Depp, without contradiction. Q You testified previously, though, that you 16 don't recall if Mr. Depp admitted to hitting 17 Ms. Heard, correct? 18 A I do not recall that. MR. CRAWFORD: Nothing further on my end. Thank you, Dr. Banks. I appreciate it. THE WITNESS: You're welcome. MR.
