1 Q Okay. And did you say good-bye to Johnny?

2 A Yes.

3 Q Okay. How did you say good-bye to Johnny?

4 A I gave him a kiss on the cheek and said  
5 goodnight.

6 Q Okay. Was it a similar interaction that you  
7 had had before?

8 A Very brief, yes.

9 Q Okay. But similar to the -- to the Johnny you  
10 observed before?

11 A Yes.

12 Q Okay. At any time during the time you were at  
13 the apartment, did you see Johnny yell at anybody?

14 A No.

15 Q Or hear Johnny yell at anybody?

16 A No.

10 maybe walked at the same time to go -- we take people to  
11 the elevator to fob them down to the parking level.

12 So --

13 Q Okay. Raquel, when you say "fob them down,"  
14 what does that mean?

15 A Using the key fob in the elevator to send them  
16 down to the parking level.

17 Q Okay. So -- so at the time you were fobbing  
18 them there -- down there was the first time you'd left  
19 the apartment since Johnny had gotten there, correct?

20 A Correct.

21 Q And would it be fair to say that your time with  
22 Johnny in the apartment had been approximately an hour  
23 and a half?

24 A 35 minutes.

25 Q So 35 minutes. So it was only 20 minutes that

4                   RAQUEL ROSE PENNINGTON,  
5                   having been first administered an oath, was  
6                   examined and testified as follows:

7  
8                   EXAMINATION

9                   BY MS. BERK:

10                  Q     Good afternoon, Raquel. We're continuing a  
11                  deposition that we began a few weeks ago. And you  
12                  understand you are still under oath, correct?

13                  A     Yes.

14                  Q     Okay. And we're going to incorporate by  
15                  reference whatever the initial stipulations were at the  
16                  beginning of the proceedings last time. Okay?

17                  Raquel, we left off the last time on events of  
18                  April 21 and 22, 2016. Do you recall that?

19                  A     Yes.

20                  Q     And you had described to us coming downstairs  
21                  after you suggested Amber get in the shower, and she had  
22                  come downstairs of Amber and Johnny's penthouse apartment  
23                  and you were in the downstairs area of the apartment. Do  
24                  you remember talking about that?

25                  A     Yeah, I think so.

1 A Um --

2 MS. SPECTOR: Vague as to time.

3 THE WITNESS: Huh?

4 MS. SPECTOR: Vague as to time.

5 THE WITNESS: Oh, at any point?

6 BY MS. BERK:

7 Q Did you understand my question?

8 A Sorry. Say it again.

9 Q At any point between the time the security  
10 arrived into the apartment and the time that you say  
11 Jerry Judge said whatever he said to John Depp, did you  
12 say anything to either of the security folks?

13 A Um, I -- I don't remember saying anything  
14 specifically to Jerry.

15 Q Okay. Did you say anything to Sean?

16 A I -- no, not really. I don't -- I don't think.

17 Q Did you say anything to anyone else in the  
18 apartment? Amber or John?

19 A I don't believe so.

20 Q Okay. What exactly happened next?

21 A So Amber was saying to Jerry, "If he hits me  
22 one more time unprovoked, I'm fucking calling the police"  
23 or "I'm calling the police." I believe she said it  
24 twice. Jerry said something like, "Boss, please."  
25 Johnny stormed off, yelling, smashing more things.

1 Q What did he smash?

2 A They have a big kitchen island in the middle of  
3 the kitchen and on there, there's candles and like fruit  
4 and, you know, glass -- like jars and vases and things  
5 like that. And he just was just hitting everything with  
6 the wine bottle, just smashing it all off. So there was  
7 fruit on the floor and baskets and, you know, glass  
8 bottles and flowers.

9 Q And your testimony is, Raquel, that this  
10 happened after the words were spoken by Jerry Judge?

11 A Yeah.

12 Q Okay.

13 A Yeah.

14 Q And what happened next?

15 A I believe then Johnny grabbed his bag.

16 Q Where was his bag?

17 A It was either on one of the chairs in the -- on  
18 the island, or at like the dining room table maybe.

19 Q Do you not have --

20 A He might have had a --

21 Q -- a specific recollection?

22 A He might have had a couple of bags. I remember  
23 he was like picking stuff up.

24 Q So it's fair to say you remember him picking  
25 bags up, but you're not sure where he got them from?
