So sorry Amber. Come over today at 11a.

12/16/15, 2:59 PM

Connell, sorry haven't called because rocky came over last night. Then dealt with Securitiy and called nurse for medical help and went down to sleep. Today has been filled with work (I'm shooting a late show appearance today - with 2 black eyes)  
In short? I need your help. But will have time tomorrow to get it. Can you please please make time for me??

Johnny beat me up pretty good last night.

He's using again.

tomorrow 11am?

12/16/15, 4:20 PM

Yes, I'll come then. Maybe a few mins early if possible. I have to leave by 12:30 latest

So come at 10:30. Will give us two hours.

12/17/15, 1:10 AM

It will be 11 Am

Ok?

12/17/15, 9:20 AM

Ok.

I'll be there in 30

12/17/15, 9:46 PM

I now have to do A stunt assessment for that movie at noon tomorrow. Can I see you after that? Perhaps 2 PM or so?

Let me see if I can make that work. Can I let you know in the am?

Sure.  
I'm not sure how long it will last

So I'm guessing myself

I'll try and make anything work.  
Have a great night

So later is better?

Yes!  
In fact early evening would be great too.

Ok. I'll get back.

12/18/15, 10:44 AM

amber, tried to shift my afternoon around unsuccessfully. Have to get together as early as you can. Understand that you can't get here by 1p, but can you by 2?

12/18/15, 12:11 PM

Possibly i'll text you as soon as I finish here

I just finished here. I can head to you now if that's ok

Great.

12/20/15, 7:35 PM

I don't feel strong enough

I want to be

Just don't feel it

He wants to say bye to me. He came over to grab some things  
I just don't want him to leave

I don't know what to do

All I can tell you Amber is that it's important to trust what you know to be safe and healthy for you and to distrust any of those feelings that come from fear and insecurity. Whatever you decide, whatever you do, make sure you try and let it come from strength, not weakness. I know you don't want him to go but staying and using leads to what??

Let me know what time you have tomorrow to talk.

12/22/15, 1:26 PM

Amber, please let me know how you are and what's going on. Concerned that I haven't heard from you.

I am so sorry if I worried you. As you can imagine, the day of travel (20th) he came over to "say goodbye" and there commenced an entire day of hashing it out.... ultimately ending in his agreement to commit to the couples counseling etc... and my decision to go to the island with him and the kids. It's just us and has been relaxing and incredibly peaceful - even if it is just avoiding an inevitable larger "discussion / conclusion". anyway, sorry for the long text. I will text you when I get back to LA . I wish I could tell you I had had the ability to walk away but I just wasn't (although I certainly saw he believed I had) but anyway..... I will text you when I'm back on the 30th. Perhaps I need to rush on in there as soon as you open for the new year... Thank you for checking in, Connell. That means a lot to me.

Glad you're safe Amber. Talk soon. Have a lovely holiday.

1/2/16, 12:02 PM

Amber, I'm back in la late tonight. Please let me know your availability for the coming week. Sure hope 2016 is a more peaceful year for you.

1/4/16, 2:52 PM

Great! Thursday is a great day for me. Also could do 6 pm tonight too. can you either / both?

Im sorry - actually checking on that time for today. however thursday still is great if you could do 12:30 or so??

Six tonight works.

Alright! I'll see you then! Just so I know, is 630 too late (traffic hour)

Fine

1/4/16, 5:25 PM

Traffic has become a nightmare (apparently here was a shooting or something and they've closed the highway and surrounding roads) Can I come tomorrow instead ?

I'm downtown and its going to take about 6 years to get there

Sure.

1/5/16, 12:02 PM

Free at 4:30p today.

1/5/16, 2:14 PM

Does today work for you?
