CLERK, CIRCUIT COURT  
FAIRFAX, VA

OPPOSITION TO MOTION TO COMPEL INDEPENDENT  
MENTAL EXAMINATION OF DEFENDANT AMBER LAURA HEARD

FILED UNDER SEAL

(Pursuant to the Stipulated Amended Protective Order entered by the  
Court on June 21, 2021)

Ms. Heard opposes Mr. Depp’s motion to compel a Rule 4:10 mental examination of her (an exam that would be in no way independent), because Mr. Depp will not agree to a 4:10 Exam of him. Ms. Heard simply seeks fairness and for both sides to be treated equally, which Depp refuses to allow. As will be shown below, both parties are in the same position in this litigation. They both have claims for defamation and both parties designated experts related to medical and mental health issues. A legally consistent and equitable approach requires that both sides be allowed a 4:10 Exam of the other under the same conditions or neither side be allowed a 4:10 Exam of the other party. A legally consistent and equitable approach is all Ms. Heard seeks.

**I. Either No Party Has Placed His/Her Mental Health at Issue, or Both Parties Have.**

Mr. Depp’s Motion falsely claims Ms. Heard has placed her mental condition at issue while Mr. Depp has not. The truth is that both sides have designated medical experts who opine on each party’s mental health. These designations have either placed both of their medical/mental conditions at issue, or neither has.

In opposing Ms. Heard’s prior request (in November 2019) to take a 4:10 Exam of Mr. Depp, counsel for Mr. Depp argued it should not go forward because “[t]here is no freestanding claim for either intentional or negligent infliction of emotional distress. All there are are counts for defamation.” **Ex. 1 at 20.** Ms. Heard is in the same position, yet Mr. Depp is requesting a 4:10 Exam of her. Ms. Heard has no freestanding counterclaim for either intentional or negligent infliction of emotional distress. Just like Mr. Depp, Mr. Heard has a counterclaim for defamation. Since their claims are the same, the parties should be treated the same.

At the hearing relating to Ms. Heard’s first request for a 4:10 Exam of Mr. Depp, Former Chief Judge White held “the request seems to me to be an effort to have a medical assessment by an expert who would then be offered as a witness to testify as to the credibility of one of the parties.

And I don't find that to be appropriate or helpful." *Id.* at 27. Now, Mr. Depp seeks to have Dr. Curry perform a 4:10 Exam of Ms. Heard, even though Dr. Curry already concluded that "Ms. Heard exhibits patterns of behavior that suggest her allegations of abuse against Depp are false." **Ex. 2, at 13-14.** It is plain as day that Mr. Depp is seeking to use Dr. Curry to testify as to the credibility of Ms. Heard, which Former Chief Judge White held was inappropriate.

Mr. Depp claims he needs Ms. Heard to undergo a 4:10 Exam because Ms. Heard has placed her mental health at issue when Ms. Heard designated Dr. Dawn Hughes as an expert, who will testify to the PTSD Ms. Heard suffered from the domestic partner violence she endured from Mr. Depp. As an initial matter, an expert testifying as to PTSD Ms. Heard suffered is not opining, as Dr. Curry apparently seeks to do, on the truth or falsity of Ms. Heard's claims that Depp abused her. She is simply expressing an opinion on Ms. Heard's PTSD, which the jury is entitled to hear and evaluate as the ultimate factfinder. But if Ms. Heard placed her mental health at issue with the designation of Dr. Hughes, then Depp has placed his mental health at issue with his expert designations. Dr. David Kipper, whom Depp identified in his Expert Disclosures "has served as Mr. Depp's treating physician for more than six years," **Ex. 2 at 21**, diagnosed Depp with Primary Dopamine Imbalance; ADHD, Bipolar 1, Depression, Insomnia, and chronic substance abuse disorder. **Ex. 3 at 3.** At Dr. Kipper's deposition, at Mr. Depp's counsel's request, Dr. Kipper testified these were his diagnoses and he possessed the qualifications to make these diagnoses. **Ex. 4 at 170-78.** Mr. Depp's Expert Disclosures states "Dr. Kipper is expected to testify as to the *pharmacological effects of the medications prescribed on Mr. Depp*, as well as medical opinions reached during the course of Depp and Ms. Heard's treatment. In so doing, Dr. Kipper may rely on his expertise and experience as a medical doctor practicing internal medicine." **Ex. 2 at 21**

**(emphasis added)**. The parties' designation of medical experts should be treated in the same way.<sup>1</sup>

Mr. Depp argues that Dr. Curry should be able to perform a mental exam of Ms. Heard because Dr. Hughes spent 25 hours with Ms. Heard and no one from Depp's side has been able to examine Ms. Heard. Yet Mr. Depp will not allow a 4:10 Exam of him even though Dr. Kipper has treated and examined Depp for over six years and claims to have opinions about his medical and mental health as well as to the pharmacological effects of medication on Depp, but no one for Ms. Heard has been able to examine Mr. Depp. If Mr. Depp is allowed to have his doctor of choice examine Ms. Heard, Ms. Heard should have the same right as Mr. Depp. Mr. Depp plans to have Dr. Kipper testify as an expert to how Mr. Depp's mental disorders and the medications prescribed to Mr. Depp affected his relationship with Ms. Heard, his tendencies toward violence, and his memories (or lack thereof) of the events that occurred with Ms. Heard. Ms. Heard should have the same right as Mr. Depp (if he is allowed) to have her doctor examine Depp under Rule 4:10.

Finally, the situation is entirely different than it was in November 2019, when Former Chief Judge White denied Ms. Heard's request for a 4:10 Exam. At the time of the hearing, on November 15, 2019, Mr. Depp had not identified Dr. Kipper as an expert, and claimed at the hearing that Dr. Kipper was only a fact witness. *Id.* at 20:14. Mr. Depp had also not identified Dr. Curry as an Expert to claim Ms. Heard is lying, which is contrary to Judge White's admonition that experts should not opine on credibility. **Ex. 1 at 27**. The circumstances have changed by Depp's own

---

<sup>1</sup> Judge White previously recognized that Depp's Complaint, alone, placed Depp's mental condition at issue, stating: "I think that the complaint is broad enough to place these things in issue, places [Mr. Depp's] mental condition in, issue, even though it may or may not really be an issue in this case, nevertheless it's put in the complaint for a purpose." **Ex. 5 at Tr. 26:15-18**. Since Judge White made this finding based on the allegations in Depp's Complaint, Depp has unquestionably confirmed that his mental condition is, in fact, at issue through his February 16, 2021 Designation/Identification of Expert Witnesses and Dr. Kipper's deposition testimony.

making. Indeed, comparing Mr. Depp’s expert disclosures of November 4, 2019 (before the hearing with Former Chief Judge White) to his disclosures on February 16, 2021, reveals that Mr. Depp now intends to call Dr. Kipper as an expert on Mr. Depp’s psychological disorders and the “effect of medications” on Depp and his conditions, and further intends to call Dr. Curry to testify as to Ms. Heard’s purported diagnoses and that “Ms. Heard exhibits patterns of behavior that suggest her allegations of abuse against Mr. Depp are false.” **Att. 2 at 13-14.** Just as Ms. Heard identified Dr. Hughes as an expert, Mr. Depp made a conscious choice to identify Dr. Kipper as an expert. The effect of these choices on whether a 4:10 Exam should be allowed should be the same – either they both should be precluded from undertaking a 4:10 Exam, or they both should be ordered to undergo a 4:10 Exam under the same conditions.

**II. If a Mental Examination is Ordered, Ms. Heard Requests Reasonable Conditions and that they be the Same for Both Ms. Heard and Mr. Depp**

If a 4:10 Exam is ordered, Ms. Heard respectfully requests that the same conditions be ordered for both. Some of the conditions Mr. Depp proposes are not reasonable under the circumstances. Ms. Heard proposes the following:

1. The 4:10 Exam shall not ever be called or referred to as an Independent exam.<sup>2</sup>
2. The 4:10 Exam shall not exceed fourteen (14) hours over the course of two days, in which each day shall include a one (1) hour lunch break, two fifteen (15) minutes breaks in the morning, two fifteen (15) minutes breaks in the afternoon, and any other breaks as needed and agreed to between the examiner and the party.
3. The 4:10 Exam shall be conducted via Zoom given the risks of the COVID-Delta variant to all parties involved and shall not be held in a law firm under any

---

<sup>2</sup> Dr. Curry is clearly not independent – she is being paid by Mr. Depp, and has apparently already determined, without examining Ms. Heard, that she is lying.

circumstances. Ms. Heard has a new baby who is obviously not immunized, and under the circumstances of COVID, this lessens the risk. We will agree to the same for Mr. Depp.

4. Each party shall be allowed to have the other side's expert observe the examination over Zoom, not on camera. This will allow both parties assurances that the 4:10 Exams are conducted properly, especially given the expert opinions already given.

5. The 4:10 Exam shall be conducted during two days in either the first or second weeks of December beginning at 9:00 a.m. Pacific Time or other dates, times, and locations mutually agreed upon.

6. The 4:10 Exam shall consist of a one-on-one examination and clinical interview, and include appropriate testing as determined by the medical examiner chosen to perform the 4:10 Exam based on their training, experience, expertise, and review of relevant materials.

7. The scope of the 4:10 Exam shall be what is addressed in the parties' expert opinions as designated on February 16, 2021 (and in any deposition or other format).

8. The Rule 4:10 examiner shall prepare and serve a report on the other side within thirty (30) days of completion of the 4:10 Exam.

9. For all testing administered, the expert shall provide the test questions administered to the party, the answers given by the party and any computerized analysis of the answers, including any computerized diagnoses. The opposing expert shall provide the same within five days after the report is provided (to avoid tainting to Rule 4:10 exam).

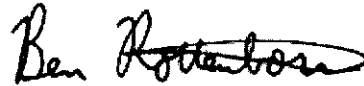

10. The medical examiners chosen to perform the 4:10 Exam will make themselves available for deposition for up to 5 hours, by Zoom, on mutually agreeable dates and times.

Ms. Heard simply asks for fairness. Either no 4:10 Exam should be ordered, or 4:10 Exams should be ordered for both parties under the conditions described above.

Dated this 24th day of September 2021.

Respectfully submitted,

Amber L. Heard

P R O C E E D I N G S

(Court reporter duly sworn by the Court.)

THE COURT: Okay, thank you all. Go ahead and note your appearances. Please.

MR. TREECE: Good morning, Your Honor. Joshua Treece from Woods Rogers on behalf of Ms. Heard. With me is Ben Rottenborn also on behalf of Ms. Heard.

THE COURT: Good morning.

MR. ROTTENBORN: Good morning, Your Honor.

MR. CHEW: Good morning, Your Honor. May it please the court. Ben Chew for Mr. Depp.

THE COURT: Good morning.

Okay, I'm ready when you all are.

MR. TREECE: Thank you.

Your Honor, we're here today on Ms. Heard's motion for an independent medical examination of Mr. Depp, pursuant to Virginia Rule 4:10. As the court is aware, Rule 4:10 provides that when the mental condition of a party is in controversy, the court, on a motion by the adverse

1 damages. There is no freestanding claim for either  
2 intentional or negligent infliction of emotional  
3 distress. All there are are counts for defamation.

4 Nor is there any specific allegation of  
5 particular mental injury. In fact, there was none.  
6 In these circumstances, a Colorado court has held  
7 that where this is here there is only garden variety  
8 allegation of emotional damages, the production of  
9 medical records is appropriate, but an IME is not.  
10 And that's precisely what Your Honor has already  
11 ordered Mr. Depp to do. And what Mr. Depp has done.  
12 And included in the records that will be produced  
13 today, if they haven't been already, are the records  
14 of Dr. Kipper. Dr. Kipper is also a fact witness.  
15 We expect him to testify that he saw, he personally  
16 witnessed violence between the couple, but the  
17 violence was initiated by Ms. Heard. And Mr. Depp  
18 did not even respond physically to that violence.  
19 He will testify to that as a fact witness. So this  
20 is a case of be careful what you wish for.

21 But more fundamentally, Your Honor,  
22 Virginia courts and courts outside Virginia reject

1 2016 declaration, assertions in the 2016  
2 declaration.

3 THE COURT: Your time is up.

4 MR. TREECE: Thank you, Your Honor.

5 THE COURT: Thank you.

6 Request for an IME is denied. In this  
7 case, the medical records of Mr. Depp have been  
8 ordered to be produced. I assume will be produced  
9 if they've not already been produced. The request,  
10 in this case -- I don't want to characterize  
11 anyone's actions badly, but to some extent the  
12 request seems to me to be an effort to have a  
13 medical assessment by an expert who would then be  
14 offered as a witness to testify as to the  
15 credibility of one of the parties. And I don't find  
16 that to be appropriate or helpful. We have a jury  
17 that will be in this case and they can be the  
18 factfinders as to the credibility of the witness.  
19 So I find no good cause shown for the IME in this  
20 case and deny that request.

21 Would you do an order and note whatever  
22 exceptions you all might have to it and pass that
